6. Signatures (Required)

If the Account is an UGMA/UTMA, the Custodian should sign below and write "custodian" after his/her name. Signatures are matched against the signature provided on the original Enrollment Form. If any signature does not match and/or a signature was not provided at enrollment, a signature guarantee is required. The lack of a required signature guarantee could delay this distribution.

Furthermore, if the account is owned by a trust, organization or corporate entity, I certify that I am authorized to act on its behalf in making this transfer.

I certify that I have read and understand, consent and agree to all terms and conditions of the Disclosure Statement and understand the rules and regulations governing distributions from my MFESP-Bank Plan Account. I also certify that under penalty of perjury that all information contained herein is complete and correct, including the Taxpayer Identification Number or Social Security Number(s) set forth on this form.
